

Firearms and Other Dangerous Materials

Policy

No one is allowed to maintain, possess, transport, or use any firearms, including BB, pellet, air gun or paintball guns, or replicas that could be mistaken for real guns, or other weapons, including martial arts weapons, hunting knives, fireworks, ammunition, explosives, dangerous chemicals, or highly flammable materials (e.g., gasoline) on Institute property, including off-campus facilities. The use or threatened use of any knife as a weapon is also prohibited.
